

COVID UPDATE 16.7.21

Dear Customers,

We hope you are staying safe throughout these difficult, unprecedented times. Following the latest government guidelines, it remains **business as usual, but with no restrictions!** We will continue to monitor the situation as new instructions and guidelines come into force.

Under the latest guidelines, face masks and social distancing are no longer compulsory. Therefore, we are happy for you to visit without your mask, however, if you wish to continue with extra precautions, then we will reciprocate.

Our sales desk screen will remain in place for the time being, and hand sanitiser will also be available. We also ask that just one customer (or two per family) enters the office area at any one time.
